

## Global Children's Center Snow Closing Policy

On days when Montgomery County schools are closed due to snow, *GCC* will be open, unless Montgomery County Central Administrative Offices are closed. When Montgomery County Central Offices are closed *GCC* does not have access to the school building and therefore we will be closed.

Parents may find out if we are open by doing one of the following:

- Parents may call our phone lines to see if we are open.
  - Tune in to your favorite news channel for information :

- **Call the Main Office** number for an updated voice mail message.

**Check your email.** We will send out mass emails by 6:15 am with any closing or delay information due to weather. Please make sure that *GCC* has an updated email address for you.

Parents should still plan to call their center prior to bringing their child to find out what they should pack for the day. There will be a message left by 6:15 am on each center's voicemail machine.
